

F.Ili CIAMPOLINI & C. S.p.A.

Project: E.P.A.T.A.M.

**ENERGY SAVING PROJECT OF THE KNITWEAR DRYING
TEXTILE PROCESS**

PROJECT CO-FUNDED OF TUSCANY POR CREO ERDF 2014-2020

The developed project allow our company to reduce more than 20% of the energy consumed by the former drying line and to reduce CO2 emission for a better environmental respect.
